

MS in GIS for Environment and Development (MSGED)

Department of Geography and Environment

Jahangirnagar University

Savar, Dhaka-1342

22 July, 2025

Notice

Two Courses (3 + 3 = 6 credits), Instead of a Thesis

1. You will need to take one additional course from the Advanced Module, making a total of 4 courses in the Advanced Module.
2. If you are enrolled in the Environment Module, you must take one extra course from that module. Thus, you will complete 4 courses in the Environment Module.
3. If you are enrolled in the Development Module, you must take one extra course from that module. Thus, you will complete 4 courses in the Development Module.

◇ The total number of courses in the MSGED program will be 14:

Prerequisite Module – 5 courses + Environment/Development Module – 5 courses + Advance Module – 4 courses

◇ Students may resume their studies in any semester, spring, summer, or fall

Late Fee Policy:

1. **Regular students** who pursue up to two additional courses or a thesis will **not** incur a late fee.
2. **Students who complete 12 courses within one year** of their admission date and then take up to two additional courses or a thesis will **not** incur a late fee.
3. **Students who do not complete their coursework within one year** of their admission date and then take up to two courses or a thesis will be charged a **late fee of BDT 8,400**.
4. **Students who drop a semester** will be charged a **late fee of BDT 4,200**.
